Stream Walk runners up in Community Garden of Year

A huge congratulations and thank you to all the garden volunteers who have worked as hard over the last year to maintain and develop the garden at Stream Walk. All their efforts have paid off as Stream Walk was nominated finalists in Kent Life Magazines Community Garden of the Year and were chosen as runners up.

Canterbury and District Round Table helps the unemployed

As a result of fund-raising by Canterbury & District Round Table, Kent Enterprise Trust their chosen charity of the year received £3,000 to run the programme Improving Lives VI which helped those who need help getting into or back into employment through training, work experience and volunteering.

At the end of the programme we held a celebration of achievement where David Syrett Chairman of the Canterbury & District Round Table presented the participants with their certificates. All participants received certificates for completion of the course, attendance, individual courses and two participants received certificates of excellence.
